Medstat

The MIS/DSS Project Office reviews the Turnaround Reports to determine if files should be approved or rejected for updating the MIS/DSS database.

The MIS/DSS Project Office and the Medi-Cal Managed Care Division review the Dropped Claims Errors Report to evaluate what type of data is being dropped, the SPC Reports to monitor data trends and the 35 File Edit Detail and Summary Reports to evaluate errors on claims.

Medstat updates the MIS/DSS Database with the approved files.
